## Special event at Traverse City Horse Shows July 14, 2024

100% of general admission tickets go directly to support Books from Birth and Dolly Parton's Imagination Library Grand Traverse Region.

Experience the excitement as impressive athletes—horse and rider—compete in a challenging course full of heart-stopping jumps and breathtaking athleticism. Along with the high-stakes competition, enjoy a relaxed, festive atmosphere with tasty food, shopping, and live music.

“If you’ve thought of taking your family to the horse shows, put Sunday, July 14 at 2pm on the calendar,” says Books from Birth chair Bob Robbins. “Every \$15 ticket sold supports giving books to children and their parents right from the start – when babies are so eager to begin learning.”

Through the Books from Birth campaign, every newborn at Munson Medical Center who lives in the Grand Traverse 5-county region can be registered to take part in Dolly Parton's Imagination Library GTR.

Dolly Parton's Imagination Library GTR inspires a love of reading by mailing new, age-appropriate books to young children every month at no cost to their families. All children who live in Antrim, Benzie, Grand Traverse, Kalkaska, and Leelanau Counties are eligible to enroll from birth until their 5th birthday.

***Buy at least one general admission ticket before July 1, and you'll be entered to win one of 3 sets of two VIP tickets, a \$600 value. VIP tickets include gourmet food, open bar and prime seating.***
